

“What Barbizon has done for me”

Barbizon has made a big difference in my life. I feel more confident than ever, and it has made me realize what I am capable of. Through Barbizon I have learned a great deal about makeup artistry, fashion, photo movement, nail and hair care, and so much more that I will use in everyday life. I am so thankful for the wonderful and caring people that want me to succeed in life, because without your encouragement I would have not made it this far. To everyone at Barbizon who has contributed their time, effort, and support, especially Nancy and Ace, you have done a great job in order for me to earn my wings. However, it is now time to graduate, spread my wings, and fly into a world that has many opportunities. I hope someday to be successful, but most importantly, happy. And from what you have taught me, I know I will get there!!

**Thank You,
Jessica Ruiz**
