

Barbizon Modeling School has had a great influence on my life. Before I came to Barbizon, I had no knowledge about modeling or the proper way to portray myself. Barbizon taught me all that and much more. I have learned the correct way to walk, talk, and eat. Barbizon taught me how to dress correctly and how my hair looks best on me. I also learned how to take care of myself and to be confident about myself.

Barbizon helped me realize that I am important and I can do anything if I put my mind to it. It gave me the confidence that I need to succeed in life. It gave me a whole new outlook on life and it opened up a whole new career field.

Barbizon was a great experience and I learned a lot. I also made a lot of new friends that I will never forget!
